Executive Director’s Report:

Larry Wanger provided a brief Executive Director’s report. Larry indicated that appointments have been made to sub-committees. Larry stated that the Policy and Advocacy Committee and the Resource Development Committee are both established under the new authorities for SILCs included in the new regulations. Larry encouraged Council members to seek out potential Council applicants in their personal or professional networks. Larry reported that he has connected with a woman from Yuma, who has extensive Independent Living and board member experience, both with Centers for Independent Living (CILS) and Statewide Independent Living councils (SILCS). Larry announced that she is in the process of applying for a position with the Arizona Council. Larry additionally stated that he is inquiring about the possibility of re-appointing Georgia McLaughlin, a SILC member who termed out after completion of two consecutive terms.

Larry stated that the 2018 fiscal year budget has been approved by RSA, and that the annual 704 report has been submitted, without issue.

Larry indicated that SILC has a fairly significant amount of funding remaining in some line items due to lower costs than anticipated. Factors contributing directly to the surplus include lower than anticipated costs related to occupancy and utilities (as staff has moved to remote office locations). Larry stated that any funds that we fail to use are returned to RSA for client services that that we plan to use at least a portion of the remaining dollars.

Larry reminded the Executive Committee that the Council agreed upon a meeting date of June 2nd, 2017, with a priority location of Prescott Valley, Arizona. Larry stated that the upcoming June meeting will be held at New Horizon’s Disability Empowerment Center, and that SILC staff will reach out to Council members regarding lodging and transportation accommodations shortly.

Larry concluded his report, announcing that the Arizona Youth Leadership forum has 40 Delegates and that the conference will be held June 18- 23 at the Arizona State University Downtown Phoenix campus. He noted that staff are hard at work on the event.
