OUR MISSION:

The mission of the Arizona Community Leadership Academy is to provide training designed to build awareness of disability and Independent Living history, systems advocacy, capacity, and leadership skills among people who have disabilities in the state of Arizona.

OUR VISION:

People who have disabilities have the skills needed to assume leadership roles on local, county and state boards, commissions, and councils.

IS THIS YOU?

▸ I do not know other people with disabilities
▸ I do not feel connected to the broader disability community in Arizona
▸ I do not receive information about policy and legislative issues impacting me as a person who has a disability
▸ I want to be more involved in my community
▸ I lack the knowledge and tools to be an effective advocate in my community
▸ I want to be involved in policy and legislative decisions that impact people with disabilities in the state

About The Academy:

AZCLA will provide free statewide trainings that focus on disability and Independent Living history, advocacy skills, community leadership, mentoring and peer support, and the specific tools needed to be an effective advocate in the community.

AZCLA is a project of the Arizona Independent Living Network:

▸ Ability360
▸ Arizona Statewide Independent Living Council
▸ Assist to Independence
▸ DIRECT Center for Independence
▸ New Horizons Disability Empowerment Center
▸ Services Maximizing Independent Living and Empowerment
